Once upon a Twist Week

Tuesday 3rd & Friday 6th November 2026

A whole school English WOW Week
with a storytelling twist!

We are thrilled to welcome Bethan Woollvin to our school for a special author visit. Bethan is known for taking traditional tales and giving them a clever and unexpected twist!

Throughout the day, children from **EYFS to Year 6** will explore storytelling through the eyes of a real author — creating characters through craft, drawing and story sequencing.

Live Stage Performance

On Friday, a professional production company will bring one of Bethan Woollvin's stories to life in school...

Rapunzel!
